What You'd Like To Be Able To Count On

There are times when the **response** you want from your Significant Other is more a type or approach than a particular answer. In such situations your preference usually will be that your Significant Other:

 CONSISTENTLY EFFICIENTLY COMPREHENSIVELY
CONCISELY DEPENDABLY CAUTIOUSLY
SYSTEMATICALLY THEORETICALLY ROUTINELY

 FLUENTLY FLEXIBLY SPONTANEOUSLY
ADVENTUROUSLY RAPIDLY IMAGINATIVELY
CONCEPTUALLY INVENTIVELY INTUITIVELY

 SKILLFULLY TANGIBLY DEMONSTRABLY
TECHNICALLY MECHANICALLY STURDILY
HANDILY DEXTEROUSLY STRENUOUSLY

While many people seem to be searching for a Significant Other who is a "10" in everything, such a person neither exists nor would you really want them around if they did! They'd be taking all the initiative, never responding to your way of taking action, not avoiding problems caused by overdoing. Be glad your Significant Other keeps things from getting bogged down because of a natural tendency to **avoid**:

 GETTING BOGGED DOWN IN DETAIL
HAVING TO JUSTIFY
STRATEGIZING THE WAY THEY DO THINGS
EXPLAINING FROM EXPERIENCE
HAVING TO WORK WITHIN PRIORITIES
DEALING PRIMARILY WITH PRACTICALITIES
ASSESSING SPECIFIC PROBABILITIES
RESEARCHING WHAT HAS ALREADY BEEN DONE

Defining Your Desires

You want a person who is highly accommodating and is willing to respond by doing things in whatever manner is necessary. Rather than seeking an Significant Other who initiates action through some type of effort, your desire is a Significant Other who responds as things happen. This hard-to-find approach offers you the assurance of support however you need to tackle tasks. The ability to finish what you start, assess the options you supply, and fix the equipment around your house would make you pleased with this relationship. It's not that you're looking for a less dominant sort or prefer to call all the shots, it's more a matter of desiring a team player who doesn't have to be out front to share equally in your activities.

You'd like your Significant Other to help get consensus from others in your life and how you're all going to function cooperatively. Building bridges with other people is an important contribution for your Significant Other to provide. It would work well for you if he/she would keep notes, track results, check out possibilities, and make sure equipment is in working order, but most of all, you want someone who doesn't resist participating by doing whatever needs to be done or demand things be done a certain way.

It would be terrific if you could count on your Significant Other to interpret you to the world! You want someone who will mediate on your behalf with others when your way of doing things is at odds with theirs. You also don't want to be badgered by your Significant Other to conform to his/her methods of operation. You'd rather play the hand and have him/her follow suit. That doesn't mean your Significant Other couldn't be the one to determine the bid.
